

Campus Safety Consent Form

Please note that iTTTi Vancouver is committed to the safety and welfare of staff and students at our school. We also are required by Provincial Health Order and our accreditation association to follow the below guidelines. These are not optional, they are mandatory:

✓ Please check beside each rule below to ensure a safe school environment. Please note, all students are required to have valid medical insurance.

- Wear a mask at all times on campus
- Sanitize hands as upon entering the campus and, wash hands with soapy water for at least 20 seconds
- Acknowledge that upon entering the campus I will be subject to a health check and if I have any observable symptoms of COVID-19 such as sneezing, coughing, fever, I will be refused admittance to the campus and required to return home. I will not be allowed back to the campus until a medical practitioner has confirmed I am clear of these symptoms and/or I have been subject to a self-isolation or quarantine for a period of 14 days or have tested negative for COVID-19 and can produce evidence of such.
- Keep the 6 ft (2 metres) social distancing rule in all areas including classroom, common areas and movement within the campus.
- Follow directional signage located on the walls regarding flow of direction, and room occupancy.
- No more than 2 people in the bathroom at a time
