## Student checklist

The below checklist provides guidelines to support you in your travel and quarantine upon arrival in Canada.

## Pre-Departure:

#1 – Communicate with your school about your arrival and quarantine plan:

- Your host school will provide you with accommodation options for your 14-day quarantine and require that your chosen quarantine site meets government of Canada requirements. Your quarantine site will provide:

  - Confirmation that you will not be living with vulnerable persons
  - Monitoring services to ensure that you do not leave your room.

#2 – Prepare for 14 days of isolation:

- Refer to the [guidelines from the Public Health Agency of Canada on How to Self Isolate](#).

## During quarantine

As per the Government of Canada's [Quarantine Act](#), you are required to quarantine for 14 days immediately upon arrival in Canada. This means that you must stay on your own in your room for 14 days and avoid contact with others. Your quarantine site will provide you with food, clean linens every couple of days, a comfortable room, and Wi-Fi.

This means:

- Stay in your own room as much as possible and away from others. Do not leave your quarantine room unless there is a medical emergency.
- Keep your room well-ventilated and clean – open your window to let the air circulate.
- Practice good hygiene
  - Wash your hands frequently with plain soap and water for at least 20 seconds.
  - Cover your mouth and nose with your elbow when coughing or sneezing, or use a tissue. Avoid coughing into either your hands or into the air. Dispose of used tissues right away into a trash bin and immediately wash your hands.
  - Flush the toilet with the lid down.
  - Package up your garbage – empty garbage frequently and wash your hands immediately.
  - Refer to the COVID-19 laundry policy at your quarantine site for having your clothes washed.
- Stay connected to friends and family via text, email, facetime, etc. You will also be connected to an iTTTi Vancouver school counselor.
- Monitor your physical and mental well-being. If you are not feeling well, use the Government of Canada's COVID-19 self-assessment tool to help determine if you need further assessment or testing. Contact your host school and quarantine provider immediately if you feel sick.
  - Access the Thrive Health [COVID-19 Self-Assessment Tool](#)
  - If you cannot use the online tool, call 8-1-1

Please remember that quarantine is a mandatory requirement of the Quarantine Act and not optional.

Following completion of your 14-day quarantine period, if you have not presented any symptoms of COVID-19:

- Confirm transportation arrangements to your permanent accommodation with iTTTi Vancouver if you are changing accommodations.
